A screenshot of the SAP 'Welcome to Organizational Management!' screen. The screen has a light green header with navigation icons and a date/time display showing '1/12/2007 + 3 Months'. The main content area has a blue header with the title 'Welcome to Organizational Management!'. Below the title, there is a paragraph of text, a section titled 'The user interface is divided into four areas:', and a bulleted list of three points. At the bottom, there is a section titled 'Getting started:' followed by a bulleted list of three points. The screen is divided into four main areas: Search area, Selection area, Overview area, and Detail area.

Welcome to Organizational Management!

This is the initial screen for the maintenance of your enterprise's organizational plan. Here, you can create your **Organizational structure** and **Staff assignments** for each organizational unit.

The user interface is divided into four areas:

- In the **Search area** on the left of the screen, you can search for individual organizational objects according to search functions. The results of this search are displayed in the **Selection area**.
- These organizational objects can be transferred from here to the central area of the screen, the **Overview area**, where they are displayed within their organizational environment.
- The bottom area of the screen is the **Detail area**. Information on individual objects is displayed and can be edited in the detail area.

Getting started:

- Using *Goto -> Change View*, decide which view you want to work with.
- If you have already created your enterprise's organizational plan, use one of the search functions to select an organizational object, and then transfer the object to the overview area by double clicking.
- If you have not already created your enterprise's organizational plan, switch to create mode. In the SAP menu, choose *Personnel -> Organizational Management -> Organizational Plan -> Organization and Staff Assignment -> Create*. Beginning with a root organizational unit, create an organizational structure and staff assignment plans.

Enjoy!

For complete **documentation**, choose:

- *Help -> Application help* (context-related documentation)
- *Help -> SAP Library -> Personnel Management -> Organizational management* (complete documentation)

- ▶  Organizational unit
- ▶  Position
- ▶  Job
- ▶  Person
- ▶  User
- ▶  Task
- ▶  Object history

Double Click Organizational Unit and
a new box is displayed

Step 6 – *Find Organizational Unit*

New Box that will allow you to search by your specific organizational unit.

The image shows a software dialog box titled "Find Organizational unit". It has a dark blue title bar with a close button in the top right corner. The main area is light yellow and contains two labeled input fields. The first field, labeled "With name", contains an asterisk (*). The second field, labeled "belongs to", is empty. To the right of the "belongs to" field is a third, empty input field. At the bottom left, there are two buttons: one with a green checkmark and the text "Find", and another with a red X. To the right of the "belongs to" field, there are two small clipboard icons, one above the other.
